EXECUTIVE SUMMARY

In this exciting update, we've given our project a fresh new identity with a logo change! The event has officially transitioned to the Startup Founders Meetup, now showcasing the year 2026 instead of 2024. This change can be seen prominently in both the navigation bar and the footer, reinforcing our commitment to innovation and community engagement. Let's take a closer look at these updates on the homepage!

CHANGES OVERVIEW

1. Navigation Bar Update

Changed the logo in the navigation bar to represent the Startup Founders Meetup 2026.

2. Footer Update

The screenshot shows the homepage of an event website. The top navigation bar includes links for Home, Details, Register, and Get Tickets. A prominent blue button says "Get Your Tickets NOWWWW". Below it, four key event details are displayed in rounded boxes: Event Type (Conference), Duration (5 Hours), Location (FROM XX), and Capacity (500+). Underneath these are three service offerings: Innovation Talks (Expert insights on emerging technologies), Networking (Connect with industry leaders), and Workshops (Hands-on learning experiences). The bottom section features a green footer with the event name "SFM26" and tagline "Connect, Learn, Grow". It also includes Quick Links for Home, Details, and Register, and Event Details for December 31, 2024, from 6:00 PM to 11:00 PM in San Francisco, CA. Social media icons for Twitter, LinkedIn, and Facebook are present, along with a copyright notice: "© 2026 Startup Founders Meetup. All rights reserved."

Updated the footer to reflect the new event name and year.
