PROJECT UPDATE REPORT

TeamSync Project

Sunday, January 18, 2026

EXECUTIVE SUMMARY

This update introduces significant improvements to the user interface. The development team has focused on enhancing the visual appeal and user experience of the application, making it more intuitive and modern.

CHANGES OVERVIEW

1. Updated Button Styling

Redesigned primary action buttons with a modern gradient effect and improved hover states.

2. Navigation Enhancement

Improved mobile navigation with smoother transitions and better accessibility.
